

mind like water

sophie hassfurther oğuz büyükberber duo

“A dialogue of airy, often lyrical sound gestures unfolds, carried out on the frontiers between Jazz vocabulary and free tonal expression.”

Christoph Irrgeher, Wiener Zeitung

“Their interplay is strong, intimate and unerring”

Henk Jansen, De Klarinet

“An album that stands out musically, precisely because it has its very own sound. An exciting listening experience.”

Michael Ternai, musicaustra

“The fluidity as well as unpredictability of water underlies the playing of both musicians.”

Rinus van der Heiden, Jazznu

“An authentic adventure”

Ernst Mittler, Freistil

“Hassfurther and Büyükberber complement each other intriguingly”

Martin Schuster, Concerto

Sophie Hassfurth Oğuz Büyükberber Duo: Mind Like Water

Vienna based saxophonist Sophie Hassfurth and Amsterdam based clarinetist Oğuz Büyükberber present their powerful duo. The instrumentation with two melody instruments defies conventions. Going back more than a decade, both improvisers explore the gateway between written musical material and improvised expansions, molding compositional cells into through-composed sound-sculptures.
